

WORK SAFE POLICY STATEMENT

Progressive Group is a leading service provider to the construction industry with divisions specialising in Sub-Contracting building operations.

Progressive Group operates a Work Safe Policy (or Refusal to Work Policy) for its staff working on all their sites.

Every member of the Progressive Group and every member of any Sub-contractor's team working on any Progressive Group projects has the absolute right to decline to carry out work if they feel it is not safe to do so.

Any employee who raises safety issues or refuses to work on grounds of safety (in good faith) will not suffer any form of retribution.

Any situation arising which leads to an individual refusing to work for Health and Safety reasons must be reported to management as soon as possible, and no work should be recommenced until the issue(s) causing concern have been addressed.

The company additionally provides full confidential reporting arrangements via dedicated Health & Safety Managers. Contact numbers for confidential reporting are provided on site, and are issued as part of the briefing process.

Managers and staff are also encouraged to report any unsafe acts or conditions, which they have witnessed.
